Dear Ernest;

Thanks much for the reception report. With the crowded Broadcast band these days, I never expected to receive reports from such distances. I'm not an "official" DX'er, but I "poke around" now and then with my Hammarlund HQ-100A.

I was particularly surprised that you even noticed my drop in audio level when I was making adjustments. Your description of our station ID announcements is exact.

Thanks again for the report!
